ABOUT ME

A passionate web developer dedicated to creating interactive and visually captivating websites. With a keen eye for design and a deep understanding of user experience, I strive to deliver seamless and engaging online experiences. An enthusiastic learner, I am constantly seeking new technologies and techniques to enhance my skills and stay at the forefront of web development trends. In addition to this, I do open source contributions for the creative coding library p5.js. I am currently learning data structures and algorithms in C++.
